

## Real salon experience from the first week!

Our courses consist of essential theory, relevant practical activities and rostered salon hours. Our goal is to provide our students with an interactive and fun learning environment with as much hands-on experience in the salon as possible. We are excited to offer you real salon experience, right from the first week!

Our talented trainers will give you regular progression reviews to monitor your success and if needed, organise additional one-on-one tuition. On successful completion of your course you will receive a Qualification Certificate which is nationally recognised.

The duration of the course stated below may be reduced if you have prior experience or learning. Study options and duration of courses may be discussed with your trainer at your enrolment interview. We take pride in our quality training. Join us to secure the best environment to develop your skills and move quickly and confidently into employment.
